

MORE MUSCLE. MORE STRENGTH.*

MUSCLEAA™ XTREME enables you to Train Harder and Recover Faster after every workout!*

ALLMAX's new MUSCLEAA™ XTREME contains clinical dosages of essential and branch chain amino acids to maximize protein synthesis, nootropics to help you to stay focused and motivated throughout your workout, carnitine to improve endurance, glutamine to enhance recovery, and hydration from trace minerals and electrolytes. MUSCLEAA™ XTREME; prepare for some of the best workouts of your life!*

The total molecular weight of Allmax EAAs includes both the active form of the EAA as well as the binding agent (HCl). We use the HCl form with some of our EAAs to improve solubility. The dosages listed on our supplement facts panel includes the active form of the EAA providing the athlete with 10 grams of active EAA in every serving.
